Terms of Use

Thank you for downloading this product!

By downloading this resource, you are agreeing that the contents are the property of Brigitte Brulz/Journey Through Homeschooling and licensed to you only for classroom / personal use as a single user. I retain the copyright, and reserve all rights to this product. You are welcome to check out www.journeythroughhomeschooling.com for additional resources.

You May:

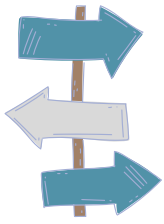

- Use free and purchased items for your own classroom students, homeschool, or your own personal use.
- Reference this product in blog posts, ONLY if both credit is given to myself as the author and a link back to my website is included.
- Refer others to my website to download their own copies.

You May Not:

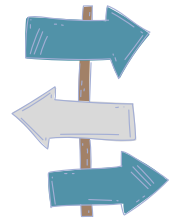

- Claim this work as your own, alter the files in any way, or remove copyright/watermarks.
- Sell the files or combine them into another unit for sale / free.
- Post this document for sale / free elsewhere on the internet (this includes Google Doc links on blogs).
- Make copies of downloaded items to share with others.

Thank you for abiding by these terms. If you encounter an issue with your file, notice an error, or are in any way experiencing a problem, please contact me and I will do my best to make things right. You can contact me through www.journeythroughhomeschooling.com.

Directions

- Print the pages. Store the pages in a binder or folder. (There is a journal available that has the same pages for a total of 25 books. More information about that journal can be found on www.brittebrulz.com.)
- Write the book number in the flower wreath. For example, the first book will have the number one and so on. Add the book's title and author's name. Then write your notes.
- These are great for readers who like to take notes about nonfiction books and for authors and editors who like to take notes about books they are reading or editing.
